40005  
**PF VAC Above Ground Automatic Cleaner**

Case Qty: 3

*All the power you need to clean your pool!*

This top-of-the-line vacuum provides the ability to effectively clean your above ground pool from top to bottom automatically. Its suction power picks up everything from dirt and bugs to pebbles and twigs, so you can spend time enjoying your pool instead of cleaning it.

*Installs in no time!*

You do not need to invest in any specialized tools or accessories with the PF Vac Pool Vacuum. It can be installed with ease in just minutes. Simply attach the disc and hose and put the vacuum in your pool. It will do the cleaning so you can spend the day swimming.

**Intelligent Benefits**

- Able to vacuum all types of steel, aluminum or wood walls serving as the foundation for all above-ground pools, regardless of size, shape or construction. \*Not recommended for soft sided pools.
- Easily installs in minutes.
- Cleans quickly and quietly.
- Does not require electricity; the vacuum quickly and easily attaches to your pool's existing filtration system.
- No wheels to jam, bags to empty or gears to break.
- Includes 31.5' (9.6 meters) of pre-engineered hoses to cover most pool sizes.
- Custom-engineered Unifram™ cleaning technology provides for quiet, quick-cleaning patterns.
- Hydrodynamic design ensures smooth transition from the pool bottom to its walls.
- Includes a ladder guard for unimpeded performance.
- 1 year warranty.

**REPLACEMENT APC HOSES**

- Quick connect & disconnect
- Replacement hoses compatible with most suction-side automatic pool cleaners

- White replacement hose has female/male connection
- White leader hose has female/female connection
